Life is Magic—*Mind Reading, Magic & Mystery!*
Joshua Lozoff Comedian/Magician

**January 26th, 2:30
 Tickets \$7.50**

Joshua's stage show combines amazing illusions developed in his travels around the world, with mental feats that explore the possibilities of the human mind. His performances reflect his love for the art of magic, and his fascination with psychology, intuition and other inner workings of the mind. In one moment, he solves a Rubik's Cube just by tossing it in the air, and in the next he attempts to predict a volunteer's choices even before she knows them herself! The result: A fun, mind-boggling performance that leaves audiences amazed and talking long after the show is over. An evening spent with Joshua will amaze and entertain.
