Although the Chamber has decided not to host the Minden Bandfest this year, I want to express my appreciation for the support we've had over the years from everyone. This October would have been the 30th Bandfest, and without the support of the Chamber, our volunteers, city, schools, and state, we never would have made it this far. Hopefully another year down the road will once again look more conducive for everyone involved!

Thank you,
Todd Jensen
