Re: COVID-19 Restrictions

Just an update as to where Bethany Home is at with regards to loosening COVID-19 restrictions:

1. Bethany Home is following CDC and CMS guidelines with regards to visitation, communal dining, and group activities. At this time these are still not allowed under the guidance and recommendations from the CDC and CMS.
2. Bethany Home is working with the Two Rivers Health Department to obtain COVID-19 tests to administer to our Employees and Residents. This will need to be completed before any loosening of restrictions begins.
3. A facility plan of slowly loosening restrictions for Bethany Home will be sent to the State of Nebraska for approval. Currently the facility is anticipating and waiting for guidance from the State as to what the plan must entail.

Currently Bethany Home is COVID-19 free in Residents and Staff.

Thank you all for patience and understanding during the last several months hopefully we are seeing a dim light at the end of what has been a very long tunnel.
