

## ***Minden Nebraska***

### ***The Christmas City***

The many faces of our amazing community! Photographs, and paintings capture moments that we want to share or remember! They become a keepsake that reminds us of times past! The future is an unknown mystery to us always! At some point, 2020 will become a memory that reminds of how the Christmas City came together and continued to grow during a difficult and unique time! Looking forward to creating more memories this Fall and Winter!
