Economic Development Opportunity

The Kearney County CDBG ReUse program has approximately \$185,000 in loan funds available to businesses. Up to 100% of the loans may be forgivable. The funds must be under contract by June 30 or returned to the state.

Funding opportunities include working capital and/or equipment and includes hiring or retaining at least 1 full-time employee.

For additional information, please call Sharon Hueftle with the South Central Economic Development District at (308) 455-4771 or Matt Cederburg at the City of Minden at (308) 832-1820.

Minden Chamber of Commerce was able to donate proceeds from the Tour of Homes 2020. The Closet and Food Pantry were so excited to receive the funds! Thank you Lynette Beahn for chairing the event! We were honored to support the Closet and Food pantry in recognition of the work and service they provide in our community!

Operation ROUND UP grant funds were recently awarded for the following projects:

Stick Creek Kids, \$2,500, Infant/Toddler Playground Palmer Child Care, \$2,500, Storage Shed Cairo Roots Museum, \$1,500, Newspaper Digitization Village of Bertrand, \$2,500, Flagpole Phillips Community Foundation, \$1,000, Ice Maker Hall County Historical Society, \$1,500, Newspaper Digitization Hastings Literacy Program, \$250, Tablet, **Minden Opera House, \$1,500**, Security System Cairo Volunteer Fire Department, \$2,000, Thermal Imaging Camera

Thank you to the customers of SPPD for making these grant funds possible.

Wear It Right!

Because people can have coronavirus and not have symptoms, wearing cloth face masks could stop coronavirus from spreading. BUT, you have to wear your mask right for it to work.

CDC suggests wearing a cloth mask over your nose and mouth when you go out in public. If you are in a place where it is hard to stay 6 feet from other people, like the grocery store,

Follow these guidelines:

To use a cloth face mask:

Wash your hands **before** you put the mask on and **right after** you take your mask off.

Do not touch your face while you wear the mask.

Do not touch your eyes, nose, or mouth when you take off your mask.

Put the mask in the dirty laundry as soon as you take it off.

Your mask must be washed daily. If you take it off during the day, place it on a paper towel, with the side that touches your face up, until you wear it again.

Your mask should:

- ✓ Fit snugly but comfortably.
- ✓ Stay in place over your nose and mouth with ties or loops.
- ✓ Have more than one layer of cloth.
- ✓ Allow you to breathe.
- ✓ Be able to be washed and machine dried without damage or change to shape.

My mask protects you, and your mask protects me.

Other tips:

Wash your cloth face mask in hot water between each daily use. You can use your washing machine.

Cloth face masks should not be worn by children under 2 years old.

Do not use surgical masks or N95 respirators. Our healthcare workers need these to stay safe and to keep us safe.

For more information on cloth face masks, and for how to make your own, go to: <https://www.cdc.gov/coronavirus/2019-nCoV/prevent-getting-sick/diy-cloth-face-coverings.html>

Learn more and find your local health department at www.nalhd.org

Volunteers in our community have been making masks in support of the current situation. If you find you need a mask or if a business would like to have some on hand to give away, please contact the Minden Chamber of Commerce. We have some available for distribution!
