

The **Minden Fire Department** would like to see if any businesses around the community would be willing to display posters that the elementary kids will submit for a **Fire Prevention Poster Contest**. The winning posters will be displayed at City Hall, but they would like to display

as many additional posters as possible. Your business will need to be ready to display the posters during the second week of October.

Please email or call the Minden Chamber of Commerce at 308-832-1811 or chamberminden20@gmail.com if you would like to participate!

We have partnered with the Pawnee Legacy Seed Preservation Project for several years. This year our pumpkins, beans and watermelons were great. Deb Echo-Hawk lead a group of local gardeners and her staff to harvest the produce. Her trailer was filled with the bounty. With this effort we will assist in preserving the legacy seeds for the Pawnee Nation.
