Spirit of Christmas Contest

MINDEN, NE—It's beginning to look a lot like Christmas in Minden, Nebraska. Not only is the Courthouse ready for our annual lighting of the courthouse, we are inviting the citizens of Minden to decorate their houses this year. From November 23rd to December 15th, citizens of Minden are invited to participate in the "Spirit of Christmas" decorating contest via decorating the exterior of their homes and their yards.

Each week, one home will be awarded a prize for having the best Christmas spirit. A house will be chosen by our secret judges as being a bright light in our community. A photo will be taken and a sign will be placed in their yard. At the end of the week, the winner will return the sign to the Minden Chamber or Joy's Floral in order to receive Chamber Bucks!

We would like to bring the community and surrounding cities a twinkling sight to see. Not only has viewing the lights in Minden become a traditional past time, families love to drive around and take in the wonder of looking at Christmas lights. We look forward to being a shining light this Christmas.

Sincerely,

Heather Riggleman

Executive Director –Minden Chamber of Commerce
